

## Important information regarding Covid-19 safety measures

- In the run up to the event, we closely considered the legal requirements and worked out the Covid-19 safety measures to the best of our abilities.
- Participations is only allowed with certification of vaccination with a vaccine approved in Europe or an official confirmation / certification of an expired proven infection. Proof (according to the applicable regulations at the time of the event) must be demonstrated upon check-in to the event – pick up of the bib number.
- We will inform all participants and supervisors about the applicable Covid-19 safety measures (social distancing and hygiene rules). Compliance with these measures is mandatory!
- However, in spite of all safety measures, an infection with SARS-CoV-2 cannot be completely ruled out.
- Should you become ill during or in connection with the event, we will contact you and the 'Gesundheitsberatung 1450' health counselling service immediately. We will then follow their instructions, which may also involve disclosing a participants' personal data.
- Organisers must be informed immediately should any participants fall ill with SARS-CoV-2 during or within 14 days after of the event.
- If you show symptoms of illness within the 7-day period before the event, your attendance will not be permitted. Therefore, please take all symptoms seriously.
